

GARUDA URBAN

INDONESIAN TEAKWOOD KNOCKDOWN FURNITURE

Sheesham Wood

Sheesham Wood Furniture Series :

Garuda Urban is also supplier of high quality Sheesham Wood Chairs /Tables ,made in Indian factories . Sheesham wood is obtained from a tree which is known by various names ,like Indian rosewood tree, Dalbergia Sissoo tree, Penny leaf tree and so on .It grows locally in India as well as sub Himalayan Region. Its classified as Hardwood & found in tropical forest. Sheesham wood Colour varies from Golden to deep reddish Brown, it is durable & famous for indoor furniture , its comparatively cheaper than Teakwood however its heavier than Teakwood & other soft wood and mostly used in Hotels & Restaurants.
